## Terms and Conditions for the Use of a Cat Cage

It shall be responsibility of the resident to whom the cat cage is issued to ensure the safety and wellbeing of any animal captured in a cat cage. Cat cages shall not be issued to residents where the resident cannot provide monitoring of the cage to ensure compliance with these following conditions: *(resident to check to confirm-understanding and agreement)*

- Cat cages are to be used only between from 7 AM to 10 PM. From 10 PM to 7 AM the cat cage shall be secured such that animals cannot enter the cage:
- When in use cat cages shall not be kept in direct sunlight.
- Cat cages shall not be utilized when the temperature is above 30 degrees Celsius or below 5 degrees Celsius.
- Immediately upon capturing an animal, the resident shall place the animal, in a secure area, protected from the elements and other animals.
- Cat cages shall not be kept in an area that is accessible to dogs.
- The cat cage, issued to the undersigned, shall only be placed on the property located at the address identified on this form.
- The resident may keep the cat cage in his/her position for a period of time of up to, but not exceeding, seven.(7) consecutive days.

The City reserves the right to, at any time, have the Animal Control officer enter upon

the property of any resident to whom a cat cage has been issued to ensure compliance with these conditions and impound any captured animal.

When the Animal Control Officer determines that the resident has not complied with these conditions, the cat cage will be removed immediately and no further cat cages will be issued to that resident.

**It is an offence under the Criminal Code of Canada to deliberately harm or mistreat an animal.** Where the Animal Control Officer has reason to believe that an animal captured in a cat cage has been treated inhumanely; the matter will be forwarded to the Society for the Prevention of Cruelty to Animals.

NOTE: Animals caught in cat cages are not be picked by Animal Control Officers after regular business hours or on weekends.

You will be responsible for the care and safety of the captured animal until the next business day.

If pickup service is required during after hours, you will be subject to a \$75.00 pickup fee.

I the undersigned, acknowledge that I have read, understand and agree to comply with all the above noted terms and conditions.
