The City of Corner Brook is presently accepting applications for the position of **Power Engineer** with the Department of Recreation Services (Civic Centre)

Reporting to the Supervisor of Recreation Services, Facilities, the incumbent will be responsible for the safe and efficient operation of the City of Corner Brook's Civic Centre ice facilities. The Power Engineer is responsible for the computerized operation of the boiler and refrigeration plant and will ensure that the plant is operating according to acceptable practices and building policy. This position is responsible for the regular plant inspections, servicing and maintaining the heating, ventilation and air conditioning (HVAC) units. The Power Engineer performs a variety of duties related to the care and maintenance of the Civic Centre facilities including refrigeration equipment.

**Qualifications:** Candidates must have a high school diploma or equivalent, a fourth class power engineering ticket and possess a valid Class 5 Newfoundland and Labrador driver's license and be capable of carrying out medium to heavy physical work for short periods of time and be able to lift 50lbs.

**A Code of Conduct and Vulnerable Sector screening is a requirement of this position.**

The City of Corner Brook will provide support throughout the recruitment process to applicants with disabilities, including accommodation that considers an applicant's accessibility needs. Candidates are encouraged to discuss specific needs with the City's Human Resources division, by emailing [hr@cornerbrook.com](mailto:hr@cornerbrook.com)

Please submit résumés, **giving complete details of qualifications**, and stating competition number to the Human Resources Office via e-mail [careers@cornerbrook.com](mailto:careers@cornerbrook.com)

***The City of Corner Brook thanks all applicants for their interest; however, only those selected for an interview will be contacted.***
