The City of Corner Brook is presently accepting applications from students within the Civil Engineering Technology Co-op program for a 19-week placement. Assigned to work with the City's Survey Technicians, the Capital Works Technician (Student) will be responsible for the assisting the Survey Technician with field work to familiarize themselves with survey equipment, drafting, and real-world design experience. The Capital Works Technician will be involved in daily inspections of jobsites, observing and learning what to look for when visiting work sites. Site visits and work progression will be documented by the student as part of the ongoing work placement.

This placement will provide the student with survey experience, design experience, project management experience, and experience working within the municipal sector.

The anticipated work placement runs from May 1, 2025, to August 29, 2025, with the typical work week running Monday to Friday 8:00am to 5:00pm.

The City of Corner Brook will provide support throughout the recruitment process to applicants with disabilities, including accommodation that considers an applicant's accessibility needs. Candidates are encouraged to discuss specific needs with the City's Human Resources division by emailing [hr@cornerbrook.com](mailto:hr@cornerbrook.com)
